

## Instructions for Replacing Bulb

**After mounting the Lamp securely to the Wall.**

**Step 1 – Unscrew and remove the 2 top knobs from the top lid.**

**Step 2 – Carefully open the Top Lid.**

**Step 3 – Insert bulb into the socket. Turn it clockwise until it locks into place or keep gently twisting clockwise until it won't go any further.**

**Step 4 – Carefully place and insert the Glass Tube over the bulb and positioned upright into the bottom cup.**

**Step 5 – Place the loose metal ring provided over the lip of the glass tube, which will keep the tube straight.**

**Step 6 – Close the Top Lid and screw back the 2 top knobs ensuring that the lid is properly flushed with the frame.**

**Assembly is complete.**
