

DATA SHEET

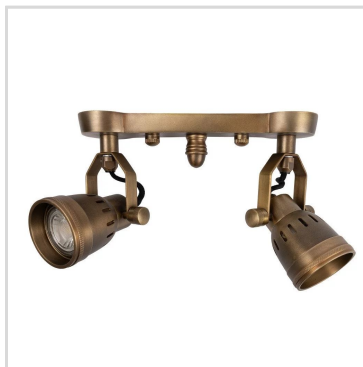

VERLICHTING

Building on the focused utility of its single-light counterpart, the Indigo Double elevates your lighting design by offering twice the functionality from a single fixture.

Featuring two fully adjustable heads on a streamlined mounting plate, this piece allows you to illuminate two distinct areas simultaneously.

Whether you're highlighting a pair of artwork, providing balanced task lighting, or casting a broad wash of light across a wider wall space, the Indigo Double delivers superior versatility and coverage.
